PROJECTS

06/2019 – 06/2019

Erasmus + training course on refugees

Got many talks and activities on the topic and also visited refugee camps in Brussels in order to learn how they worked with them, the proceedings they had to go through to achieve the refugee status as well as the integration programs that were being implemented.

01/07/2022 – 10/07/2022

Erasmus + The Earth needs you

Project for bringing awareness to people's everyday habits regarding their ecological footprint. Promoted sustainable development practices and awareness-raising aligned with the Sustainable Development Goals (SDGs).

Erasmus + The art of Tolerance

Youth exchange to share views about tolerance as one of the main issues of our current societies. They cause the uprising of populist extreme parties that can affect our lives with their rulings. Tolerance should be taught and promoted in schools and other educational contexts.

08/07/2023 – 17/07/2023

Erasmus + UpRural

Between July 8th and 17th, 2023, the Association RESOPA (Réseau Solidaire & Participatif), in collaboration with GEYC, orchestrated the #UpRural training initiative. This program aimed to empower EU project managers to explore the role of young people in rural development through avenues such as social innovation, entrepreneurship, and community involvement. Employing immersive methods, including on-site visits to entrepreneurial ventures and interactive discussions with local project leaders and stakeholders, participants from over 10 countries engaged in dialogues surrounding collaboration and involvement. Together, they explored opportunities to reshape the narrative of their respective regions through active engagement and participation.
